- Illuminated entry system
- Illuminated vanity mirrors
- Interior reading lights
- LED license plate lighting
- LED taillights
- Power-adjustable exterior mirrors
- Rain-sensing windshield wipers

VEHICLE OVERVIEW

2020 • 13,000 km • Petrol • 420 hp • Semi-automatic • Rear-wheel drive

Finished in **metallic black** with a beige Sahara Tan leather cabin, this Aston Martin V8 Vantage pairs a naturally aspirated 4.7L V8 with a 6-speed Sportshift automated transmission and paddle shifters. Its compact two-seat layout, rear-wheel-drive configuration, limited-slip differential and sport-focused chassis create a distinctly driver-centred character, while the richly appointed interior brings genuine touring comfort. With 19-inch split-spoke alloy wheels, a performance exhaust, premium audio and integrated navigation, this is a Vantage specified for both occasion and engagement.

Key highlights

- **4.7L naturally aspirated V8** producing 420 hp
- **6-speed Sportshift automated transmission** with paddle shifters
- Limited-slip differential and rear-wheel drive
- 19-inch split-spoke alloy wheels and performance exhaust system
- Sahara Tan leather upholstery with heated sport bucket seats
- Integrated GPS navigation and premium audio system
- Front and rear parking assistance
- 12-month warranty

Design & driving character

The sculpted aluminium bodywork is complemented by the signature front grille, sport side vents, integrated rear spoiler, rear diffuser, dual exhaust outlets and

metallic black paint. Sport suspension, low-profile performance tyres, red-finished Aston Martin brake calipers and slotted brake rotors reinforce the car's focused mechanical specification.

Cabin & comfort

- Power-adjustable seats with lumbar support and driver memory
- Heated front seats, automatic climate control and heated exterior mirrors
- Leather-wrapped three-spoke steering wheel and leather-wrapped gear selector
- Premium leather dashboard, leather-trimmed centre console and leather door inserts
- Aluminium pedals and interior trim, ambient lighting and embroidered headrests
- Push-button start, power windows, adjustable steering column and front centre armrest
- Car cover, original factory tool kit, battery maintenance charger and emergency tyre repair kit

Technology & visibility

- Integrated GPS navigation with map display and infotainment controls
- Premium audio, CD stereo, USB and auxiliary audio inputs
- Hands-free calling, Bluetooth connectivity, smartphone audio streaming and voice commands

- Trip computer, digital information display and multi-function driver display
- Xenon headlights, LED daytime running lights and LED taillights
- Automatic headlights, follow-me-home lighting and headlight washers
- Rain-sensing wipers, auto-dimming rear-view mirror and acoustic windscreen

Safety & assistance

- Alarm system, keyless entry and remote central locking
- Front and rear parking sensors
- Cruise control, ABS, ESC, DSC and traction control
- Electronic Brakeforce Distribution, Emergency Brake Assist and Hill Start Assist
- Front and side airbags, tyre-pressure monitoring system and seat-belt warning system
- Electronic immobiliser and reinforced passenger safety cell
